

Black Lines are where the drive will take place. We encourage you to hang out at the closest street to wave to Santa from afar. Beginning on Goodale Blvd. We will head West on Gooddale to Lincoln. We will go North on Lincoln and up to Cambridge, around the island and down to Third Ave. We will go East on Third Ave to Northwest Blvd. We will head South on Northwest to Gooddale making our way to the Grandview Yard. We will head West on First Ave all the way to Wyandotte back up to Third Ave and East to Grandview Ave. We will take Grandview Ave south to Gooddale and end out route. We hope to see everyone on Saturday, December 5!
